DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present allie to themselves and their easy-going or overbusy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, snorant of the cause of suffering, steps up ha treatment until large bills are mode. The suffering patient gets no better in fraction of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorija Prescription, directed to the cause would have enturely removed the disease, there-

moper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have eithrely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in Jong condition of the Lemans

As a powerful invigorating tonic "Fevorite Prescription" imparts strength to
the whole system and to the organs distinctly leminine in particular. For overworked, "worn-out," run-down," debilitated teachers, milliners, dreasmakers,
seamstresses, "shop-girls," house-keepers,
nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription
is the greatest earthly been, being unequaled as an appatizing cordial and restorative tonic.

CHARGED WITH MURDER. Dr. Haldane Cleminson, the young Rogers Park, Chicago, physician whose wife was found dead under mysterious circumstances, was placed in a cell at the police station yesterday morning. A

formal charge of murder was made. The stories he had told of finding his wife lifeless at his side on Sunday morn ing has been throughly unsatisfactory to the police. His wife's death was supposedly due to chloroform poisoning. Dr. Clemiuson asserted that burglars obloroformed him and his wife while they slept. Since the tragedy Dr. Clem-

inson has been in a hospital.

The funeral of Mrs. Cieminson was held yesterday. Dr. Cleminson attended under police guard. He took a last look at the body and maintained his composure. The coroner yesterday submitted the woman's viscera to a chemist to chloroform caused death.

Chief of Detectives O'Brien yester-day said that Dr Cleminson's declaration that he and his wife had been chlo referred by burglars was not credible. The money and spoons which the physician said were stolen were found in a

closet of his house.
"I refuse to answer on advice of counsel," is the prisoner's answer to questions of the police.

Detectives yesterday discovered a

orist's shop where Dr. Oleminson is alleged to have purchased flowers for two women whose names are known to

the police.
Dr. Cleminson confessed last night to Capt. Kane that the story he first told that burgulars chloroformed his wife, was untrue. Dr. Cleminson also usserted that he never had \$50 which he declared was stolen from him, and wife, was untrue. Dr. Cleminson also asserted that he never had \$50 which he declared was stolen from him, and that the jewelry supposed to be missing and the silverware were hidden in his pockets by himself.

"I refuse to answer on advices of

ounsel," replied the doctor. "Why did you tell an untruth about

MASS MEETING PROHIBITED.

Mayor Nolan, of Evansville, Ind., yesterday afternoon showed plainly that he was in earnest when he said there should be no disorder in Evansville on account of the strike, if it was in his

power to prevent it. Ben Commons was arranging to hold a mass meeting. The mayor instructed Chief of Police II ennecken to notify Commons that no torchlight processions, parades, mass meetings, or public dem-onstrations of any kind will be permitted in Evanaville during the strike. The court made an example of a stone-thrower yesterday, that will help materi-ally to break the strike. William Rapp, who stoned a car Monday, was fined \$10 and sent to jail for thirty days. The company paid \$100 to the city at once for the police pension fund, having offered such a reward for the conviction of any one destroying its prop
